# WHY FREE PERIOD CARE MATTERS.

Free period care in workplaces is important for many reasons. Having ready access to period care products improves productivity in the workplace providing practical support for employees.

The Libra Period Positivity Program promotes diversity and inclusion by making people feel safe and welcome and positions organisations as an employer of choice. Supporting staff through the provision of free period products shows that you care, leading to higher engagement and improved productivity.

68% of women admit to hiding their period at home, work and school.<sup>1</sup> This can come as a result of the embarrassment and anxiety associated with periods.

25% of women admit to calling in sick to work, whilst 13% of women have shown up late or left work early to hide that they're on their period.<sup>1</sup>

25% of women have avoided social situations as a result of being on their period.<sup>1</sup>

54% of people agree that it's still taboo to talk openly about periods.<sup>1</sup>

66% of people agree that society's attitude toward periods is old fashioned.<sup>1</sup>

<sup>1</sup> Libra Taboo Study 2019

# BENEFITS OF THE LIBRA PERIOD POSITIVITY PROGRAM.

## Remove embarrassment & anxiety

- Free and discreet access to period care products reduces anxiety associated with hiding products on the way to the bathroom.
- Create open conversations about periods by using our communication materials to introduce the program to your staff.
- Dispenser stickers with positive messaging help normalise periods in the workplace.

**22% OF WOMEN FEEL ANXIOUS ON THEIR PERIOD AND HOPE THAT NO ONE FINDS OUT THAT THEY'RE ON IT.<sup>1</sup>**

*The Period Positivity Program helps remove*  
**THE EMBARRASSMENT AND ANXIETY SURROUNDING PERIODS.**

## Discreet dispensers

**62% OF WOMEN HAVE CARRIED A HANDBAG WITH PERIOD CARE PRODUCTS TO THE BATHROOM TO HIDE THEIR PERIOD.<sup>1</sup>**

- Our high quality bespoke Libra dispenser is suitable to install in any bathroom, whether it is small, large or ambulant/accessible.
- The dispenser is lockable with a unique dispensing mouth that prevents excess usage and ensures safe and hygienic delivery of the product.
- Dispensers are a proven system already implemented in Australia and New Zealand across thousands of schools, workplaces and leading tertiary facilities.

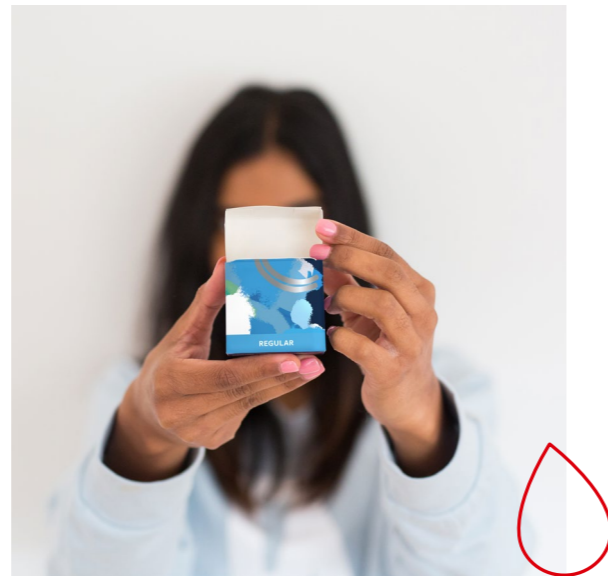

**Trusted, reliable and safe**

- Made in Australia for over 30 years, Libra delivers reliable supply and is the only locally made period care product range.
- Libra tampon boxes meet New Zealand Standards requirements to provide tamper proof product with product safety information.
- Libra offers a unique Roll Press Go wrapper, sealing in odours and providing discreet disposal of used pads.

**LIBRA IS THE #1 FAVOURITE BRAND!**
